

# James Renwick Alliance

Monthly Newsletter: October 2017

## **JRA Day – December 2**

JRA Day celebrates our artist members with a sale at the Woman's Club of Chevy Chase. This year's list of artists is stellar. Please come and support the artists who donate time and resources to helping make the JRA successful. See [www.jraday.com](http://www.jraday.com) for more details.

## **Chris Gustin at Lillstreet Art Center**

At our spring craft weekend gala, Master of the Medium Chris Gustin talked about the 30-year "dialogue" that he and his wife and fellow potter, Nancy Train Smith, had had and continue to have. The product of this dialogue is on display at the Lillstreet Art Center until November 12. For those of us who were on the JRA craft study tour to eastern Massachusetts and Rhode Island, we saw multiple examples of their work at that time.

## **Carbondale Clay 20<sup>th</sup> Anniversary**

Carbondale Clay Center is celebrating its 20<sup>th</sup> anniversary and we wish them many more years of success. These centers are crucial to the support of emerging and established craft artists. They provide education, employment, and sales of ceramics that are becoming less available in standard commercial or public institutions.
